The MIB Meeting (Minimally Invasive Breast surgery) International Congress.

Minimally Invasive Reconstructive & Aesthetic Plastic Surgery

Dear Colleagues and Partners,

It is with great pleasure that we invite you to participate in a truly groundbreaking event in the field of breast surgery: the "**MIB Meeting » (Minimally Invasive Breast surgery)**, to be held in **Paris on June 6th and 7th, 2025**.

This congress will highlight the latest advancements and cutting-edge techniques in minimally invasive surgery applied to reconstructive, and aesthetic breast surgery. More than just a scientific meeting, this event marks a pivotal moment towards a more precise, less invasive practice that prioritizes patient well-being.

Why attend?

- **Innovation and the future:** This congress offers a unique opportunity to discover the technological and methodological innovations that will shape the future of breast surgery.
- **Live surgery:** Experience live surgical demonstrations performed by international experts, offering a real-time look at the most advanced techniques.
- **Exclusive masterclasses:** Participate in hands-on masterclasses led by world-renowned specialists, deepening your knowledge and refining your skills.
- **Plenary sessions with international top experts:** Engage with leading figures in the field as they share their experiences and insights on the evolving practices of breast surgery.

Set in the heart of Paris, the congress will be held in a warm and welcoming atmosphere, combining a high level of scientific excellence with an unparalleled opportunity for collaboration and exchange.

This congress is a rare opportunity to be at the forefront of medical innovation, to meet pioneers in breast surgery, and to enrich your practice with the tools and knowledge that will transform traditional approaches to Reconstructive and Aesthetic surgery.

As a non-profit organization, MIB is dedicated to making a meaningful difference in women's health. Our vision is to create a collaborative platform where healthcare professionals, institutions, society, and industry unite to transform and improve the breast surgery experience for women globally. Together, we are committed to advancing the latest minimally invasive breast surgery techniques and provide a unique forum where ideas converge, and solutions are created. MIB is driven by the belief that every woman deserves access to the best care, supported by cutting-edge innovations in breast surgery.

Investing in education, research, and technology is investing in the future of women's health. Our association will provide scholarships, fund research, and support initiatives that improve breast surgery outcomes. We aim to contribute to healthier communities and empower the next generation of surgeons, researchers, and healthcare leaders.

Hoping to see you in Paris in June,

Congress Chairmen

Nicolas Leymarie, Charles Randquist, Benjamin Sarfati, Antonio Toesca
